- Frequent Practice
    - Course Website -> Practical Material -> Practical Questions

- Keep on top of work

    - Don't skip week readings

    - Start exercises/assignments/exam preparation early

- Getting Involved

    - Piazza(forum)

    - Practicals/Office Hours

PYTHON vs. WING

Python = TV
•You can watch TV without a TV remote.
•Can be frustrating without a remote.

Wing = TV remote
•Useless without the TV.
•Makes it easier to work with the TV.

Exercise 0

Let's hop onto Wing!!!
